

St. Pius X All Day Preschool Program Option

St. Pius X Preschool is an extension of our K through 8th grade program. It is designed to lay the foundation for our school program, as well as a lifetime of learning and service for each child and family.

In order to serve the needs of our families more effectively, St. Pius X School will offer a five day all day program option for the four/five year olds beginning in the fall of 2010. The full day option will operate with a minimum of 4 students. We will set a maximum of 10 students for the first year's offering.

Children participating must be four years old before September 1, 2010. This program option will be an extension of our current morning programs. Those who continue on for the full day may be from the 5 day or 3 day preschool morning sessions. (See admittance priority below.)
